

CONCLUSION

It is submitted that above claim amendments, in conjunction with Applicant's election to have the Examiner reconsider the October 9, 2001 specification, should overcome Examiner's objections of a non-compliant amendment. In view of the foregoing, it is respectfully submitted that the instant application is in condition for RCE and further examination for this application is respectfully requested from the Examiner.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'Nick Nassiri', is written over a horizontal line.
